

Price Transparency

The aim of this price transparency section on our website is to help consumers have an understanding of what the costs may be for a particular field of work and to assist them with making an informed choice about which legal services provider to use.

The prices quoted here are intended to be used as a guide only. If you would like a tailored quote/estimate that is specific to your exact situation then please contact us on the telephone 01646 695311 and we will provide you with a detailed list of the likely costs involved for your case. Once a personalised quote/estimate has been accepted then it will be formally confirmed in a Client Care Letter together with our Terms and Conditions of Business.

Any reference to VAT is calculated at the prevailing standard rate for goods and services, currently 20%.

Disbursements typically payable on sale of property:

In addition to the fee payable to Price & Kelway for the legal work that we will do in connection with your sale there will also be a number of disbursements which you will have to fund. Disbursements are costs related to a legal transaction that are payable to third parties. We pay the disbursements on your behalf to ensure the smooth running of the process. The common disbursements incurred in a sale transaction are:

Disbursement	Cost	VAT (20%) Applicable?	Total Cost including VAT at 20%
Office Copy Entries (£7.00 per document – typically 3 documents are required from the Land Registry)	£21.00	No	
Telegraphic Transfer Fee	£30.00	Yes (£6.00)	£36.00
Electronic File Storage Fee	£25.00	Yes (£5.00)	£30.00
ID and Anti-Money Laundering checks	£25.00 per person	Yes (£5.00)	£30.00

On occasions there will be a need to incur disbursements beyond those itemised above and we will endeavour to let you know about those as early as possible in the transaction. For example, it may be necessary to fund a Defective Title Indemnity Policy to insure against missing documents which we could not have known about until the title for your property has been investigated. Another example could be in the sale of a leasehold property where documents and information must be obtained from a Management Company, and they will charge a fee for this service.

Unexpected work:

There will be occasions when a transaction becomes protracted or more complex than originally anticipated. In those circumstances then we reserve the right to increase the fee that we charge for the work involved. We will inform you if any unforeseen extra work becomes necessary and let you know in writing the estimated cost of that extra work before incurring

extra costs. We will attempt to agree an amended charge with you. If we cannot reach agreement, we will do no further work and charge you on an hourly basis for work to date. The hourly rates of our staff are set in accordance with the guidelines produced by HMCTS. They are included in our general terms and conditions of business and also set out below:

Fee Earner	Hourly Rate	VAT (currently 20%)	Total (including VAT)
Solicitors and legal executives with over 8 years' experience	£272.00	£54.40	£326.40
Solicitors and legal executives with over 4 years' experience but fewer than 8	£233.00	£46.60	£279.60
Other solicitors or legal executives and fee earners of equivalent experience	£189.00	£37.80	£226.80
Trainee solicitors, paralegals and other fee earners	£134.00	£26.80	£160.80

Our Purchase and Sale Transaction Fees assume that:

- (a) it is a standard transaction and that no unforeseen matters arise including for example (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction
- (b) it is the assignment of an existing lease and is not the grant of a new lease
- (c) the transaction will be concluded in a timely manner and no unforeseen complication arise
- (d) all parties to the transaction will be co-operative and there are no unreasonable delays from third parties providing documentation
- (e) no indemnity policies will be required. Additional disbursements may apply if indemnity policies are required.

How long will a property sale or purchase take?

The average transaction takes about 10-12 weeks to complete from when the contract pack is sent or received, but this can vary, depending on issues such as the length of the chain involved and third-party factors such as mortgage lenders or unexpected changes in circumstances.

We will always aim to progress the transaction as quickly as you want us to so any delays will only be as a result of third parties or factors outside of our control. For example, a leasehold transaction will usually take significantly longer due to the involvement of third parties such as landlords and managing agents who are required to provide significant information about the property.

Aborted Transactions:

There will be occasions when a transaction does not complete. This can be due to any number of factors. In these circumstances you will be charged for time incurred by the acting solicitor at their hourly rate as quoted in the table above. Our charge in an aborted transaction would not exceed the fee that has been provided to you at the outset for all of the work to be undertaken.

Mortgage and Re-mortgaging:

Our fee to act on your behalf where you wish to secure a mortgage against a property or re-mortgage a property will be as follows:
